§ 1.Repartition of tasks

		Both INF-FNI and ENC nominate a responsible person who ensures the exchange of information between the INF and EuNatCom.
A	Youth	Complies with the ENY standing orders approved by the EuNat meeting as well as with the decisions of the EuNat meeting, informs the ENC secretary in written form about the actual situation and execution of the current tasks.
B	Sports	He supervises the execution of the sport and family events in accordance with the annual decisions of the EuNat meetings and informs the secretary in written form about the actual situation and execution of the current tasks. All other information is provided in the EuNat Sports and Financial rules document. See §4 . He sets up the annual EuNat event calendar in cooperation with the secretary. He writes the event reports and forwards them to the secretary for translation and distribution. If unable to attend, he may delegate his powers temporarily with the consent of the ENC.
C	Secretary	Should have a good knowledge of the 3 official INF languages (GB-DE-FR) and maintain the communication between A, B, federations and INF-FNI, translations included. He checks the amount of the current expenses and forwards them to the INF-FNI treasurer for payment. Expenses from the secretary are checked by the INF treasurer.
	Meetings	These 3 persons could meet once in a year to prepare the EuNat meeting and events, but this is also possible by E-mail conference thus avoiding unnecessary costs.

§ 2. Financial budget

A	The yearly financial budget amount ranges from at least 30% to a maximum of 40% based on the annual European membership contributions to INF-FNI. This amount is communicated yearly by the INF-FNI treasurer to ENC , but remains in the INF treasury. The report from the preceding year with a minimum amount of 10'000€ is at disposal on the 1 st of January of the new year.
B	The refunds of expenses are paid directly by the INF-FNI treasurer to the respective person after being approved by the ENC secretary.
C	The ENC secretary is responsible for the financial accounts and forwards them at the end of the fiscal year to the INF-FNI treasurer, receipts included, for global bookkeeping to the EuNat account. The detailed results must be submitted to the next EuNat meeting for approval. A remaining amount is reported to the next year's budget. The ENC accounts are checked separately before the INF-FNI audit, if possible, by the INF-FNI cash checkers and can therefore be booked globally by the INF treasurer.
D	The financial proposals for Youth, sport events and organization of EuNat meetings <u>with simultaneous translation</u> are fixed at the beginning of each year by ENC and submitted to the next EuNat meeting for approval. If an event should take place <u>before</u> the yearly EuNat meeting, then ENC could approve the respective subsidy provisionally.

§ 3. Youth

A	All members of the European Federations under 27 years belong to the European Youth.
B	The ENY regulations proposed by the last ENY assembly and approved by the last EuNat meeting are applicable to ENY Youth.
C	The Youth responsible in the ENC must be elected during the ENY general assembly and communicated in time to EuNat meetings for the official EuNatCom elections for approval. As the ENY election dates differ from those of EuNatCom, ENY must monitor these rules themselves.
D	If the ENY general assembly fails to nominate a candidate for the respective date of EuNat-ENC elections (C), the INF-FNI nominates a Youth responsible until the next ENY election date. (General assembly)
E	The ENY nominates a person from their board which insures the exchange of information between ENY and INF-FNI /ENC.
