This year's South European Family Meeting had been held successfully like previous years. On the left we can see our promotion paper, done in three languages of the INF.

Total 115 members of the INF composed by the ones of the BN, DFK, FFN, FPN, INA, ÖNV, ZDNS, FEN,SNF... could take advantage of this wonderful chance to take dip on the Beaches in the Camping and further sea water.

Good weather always accompanied us during all the meeting so that every participant could enjoy the sun during the meeting.

Very good price and quality of accommodation and meals, including Plenty of Excellent Activities: Welcome Cocktail, Aquagym, Hiking, Yoga,

Visit to the Licor 43 Factory with Traditional Fishing Village Restaurant Meal,
